& Kiwanis knowledge and enthusiasm!!

Club Building 106

Fundraising, recruiting new members, working on projects—all are needed activities of a healthy club. Fun is also important. Why not have a party?

Send out invitations to club members, telling them to invite a guest (prospective member or someone who is no longer a member). Instead of a speaker/program, plan a fun activity—bowling, a movie, visit to a local attraction, etc.

Not only will this eliminate the “same old, same old” attitude, but will result in added enthusiasm and maybe new members!

**Order these brochures from
kiwanisone.org!
Great for business counter
stands!
And they're FREE!**

In addition to the brochure pictured at left, did you know that you can order a recruitment brochure from Kiwanis International that is personalized for your club?

1. Go to kiwanisone.org
2. Click on Member Resources
3. Search for Personalized Club Brochure
4. Follow the directions and complete the form

That's it! There is no charge for 50 brochures. What a helpful resource for recruitment!

S L P's—What Do I Do Now?

In the last few newsletters, each SLP has been described. Has your club decided to add one? Ready to get started? It's easy!

1. Go to kiwanisone.org
2. Click on Member Resources
3. Click on Youth and Services
4. Under Quick Links, click on Sponsorship Toolkits
5. Click on the desired SLP
6. Click on the information you need

Another valuable resource is a chartering toolkit. There is a wealth of information there. Just do a search for Chartering Toolkit for the SLP you want.

Toolkits and additional supplies for Terrific Kids and B.U.G. can also be ordered from the Kiwanis Store.

SLP's enrich the lives of their participants and build the leaders of tomorrow for our communities.

Reminders of This and That

Governor's Interclub Contest

You have done such a great job making interclubs this year. Are you keeping track of all of your visits? Banner patches and plaques will awarded after the contest ends on September 30, 2010.

Don't forget to count the interclubs to Quincy and Mid-Winter Convention!

Haiti and Central America

The Kiwanis International Disaster Relief Fund will be used to aid children left homeless and in need. Your support is needed.

Send donations to Kiwanis International Foundation, Attn: Disaster Relief Fund, 3636 Woodview Trace, Indianapolis, IN 46268

Community Service Award

Take a look at your community service activities. Many of them are worthy of this award.

All you need to do is submit five (5) pictures and a description of each submission (up to three). Media coverage of the event would also be helpful.

Dessert or Dollars

10/1/09-3/31/10

Time is running out! The club with the greatest net positive membership will choose a prize of either dessert for the club or \$50.00 for its service account.

So far, positive net growth has been reported by the Canton, Hannibal Evening, Macon, and Palmyra clubs. Outstanding!!

Hannibal Evening

New members since October 1 are (L to R) Chris Akright, Ryan Easley, Tillie Allen, Chris Harsell, and Michael Spaulding. Not pictured are Amy Johnson and Sarah Conner.

This brochure can be ordered free of charge from kiwanisone.org. It tells the story of Kiwanis and would be a helpful summary for a prospective member of the many positive aspects of Kiwanis.

Do you have members who have not been to a meeting in a l-o-n-g time? Do you need to send a "thank you" to a member or speaker for a job well done? These postcards may be just what you need. Order 60 for \$6.00 from kiwanisone.org

Serving Together With You!

Greetings to all!

News flash for you—It's still winter!
Surely spring will be here soon!

Division 1 clubs are doing well. Our
membership numbers are up from
last year, and community service
projects continue to serve those who
need our help. However, we can't rest
on these laurels. More hands are al-
ways needed to help accomplish our
goals. Keep up the good work!

Have you decided on a new SLP yet?
Some of them don't require a large
financial outlay, like B.U.G, Terrific
Kids, and K-Kids. Why not order a
kit and give it a try? Let me know if I
can help.

How are you doing on Distinguished
Club honors? The three categories
are Service, Leadership, and Growth.

Do you know your current score? Do
you know how to raise it? Watch your
mail/inbox for your Distinguished Re-
port Card and suggestions.

This weekend is the Mid-Winter Con-
vention in Branson. I'm looking for-
ward to seeing some of you there and
also sharing what I learn with all of
you in future mailings and newslet-
ters.

Those of us who traveled to Quincy
last month for Kiwanis International
President Paul Palazzolo's visit were
treated to a truly moving message.
What a powerful speaker and inspir-
ing advocate for all that Kiwanis is!

Thank you again for all that you do! I
hope you know how great you are!

Best wishes to you and those you love,
Kim
